Subject: Louisiana appointment renewal notification

Appointment renewal invoices for Louisiana individual producers have posted Friday, December 1, 2023 to the National Insurance Producer Registry (NIPR) website at www.nipr.com. The invoice includes all individual producer appointments active as of November 29, 2023. Please note that the invoice will not include any appointments for individual producers that do not have an active license. Payment is due by **January 3, 2024**. Failure to pay the invoice by this date will result in the expiration of the individual producer appointments.

New individual appointments submitted on or after November 29, 2023 will not expire until December 31, 2024.
